NIGHT

● NIGHT and DAY we learn the ins and outs of life's problems and the solutions to them in our four years of classes, activities and fellowship provided by the modern program of our progressive High School.

● With a glance at the past, and with an eye to the future, the 1959 Annual Staff records the present at Waukegan Township High School. Through the pages of this book we attempt to show how faculty and students have worked together NIGHT and DAY in a constant effort to prepare for the years that lie ahead.

● Development of skills for use later in life is among the many opportunities offered at Waukegan High. The activities shown on these pages illustrate practical experiences which may be gained in the various departments of our modern high school

Talents Perfected at WTHS

● Waukegan Township High School is really three schools in one. It operates NIGHT and DAY, all seasons of the year, training youth and adults to enjoy life more fully through attaining a well-rounded education. W.T.H.S. is a progressive high school, a popular summer school, and a comprehensive evening school all on the same campus.

Plan Expanded Facilities

- With the completion of the West Campus next fall, Waukegan High's present program will have opportunities for expansion, and facilities will be provided making possible even greater service to the community.

Faculty — Instruction

Here is to our Faculty—the ambitious men and women who are kept busy NIGHT AND DAY providing educational and social activities for the students. Our excellently trained faculty, constantly growing to keep up with the ever-expanding school curriculum, is the pride and joy of WTHS.

● One of the busiest civic groups in Waukegan is the Township High School Board of Education. The present board is composed of seven elected members plus an attorney retained as legal advisor and a secretary who is also the high school business manager. The planning, construction, and equipping of the new two-year school on West Campus has been a major project of the board over a period of three years. Retiring from the board in April, 1959, were Fred M. Armstrong, president, and Edward F. Podboy. Elected to three-year terms were Thomas Damos and Lloyd A. Van Deusen. Richard W. Flagg was named to complete the term of Samuel C. Kittell who resigned last January because of illness. Milton A. Staben was elected to the one-year term still remaining in April after Mr. Flagg declined to be a candidate. Mrs. Jane Weis was named board president upon Mr. Armstrong's retirement.

WTHS Must Serve Present And Future

DR. MERLE M. KAUFFMAN

● The Board of Education is sincerely dedicated to the task of providing the best possible educational opportunity for all citizens of the township. WTHS insures the future by providing education for all youth who wish to learn. WTHS serves the present by offering to adults one of the finest evening school programs in the Midwest. Truly this school operates "night and day" throughout the school year.

Next September the West Campus building will be placed into operation. These added facilities will make

it possible to serve the community even better than in the past. Replanning of curriculum and total program have been going on for several years in order to make the transition as effective and efficient as possible.

This has been another good year at WTHS. The record of accomplishment is spelled out in the pages of this book. That record is a real challenge to the underclassmen, and one to which the Seniors can point with pride. Every good wish accompanies the class of 1959 as they leave Waukegan High.

View, WEST CAMPUS. This architect's concept of the new school is now rapidly emerging as a reality. The view is toward the south from the east corner of the site.

● Plans for the new two-year West Campus high school were definitely formulated in the summer of 1956. A township-wide referendum authorizing the purchase of land and the floating of the bond issue necessary to finance the five million dollar project was held November 20, 1956. Ground for the new school was broken one year later, November 21, 1957, and construction was soon underway. The first steel girders were erected in March, 1958 and the sprawling structure began to take shape.

Scheduled for completion during the summer of 1959 and ready for occupancy at the beginning of the 1959-1960 school year, the new West Campus school will accommodate the freshman and sophomore classes. The junior and senior classes will be housed on the present campus which will be known as East Campus. Details of administration and curricular adjustments necessary to operate the two schools housed on separate campuses have been a major concern of the school board and the administration this year.

Keymen In Twin-Campus Coordination

DR. COLONT SCHAIBLY
Administrative Assistant

RALPH S. BROTHERTON
Business Manager, Board Secretary

● Five administrative officials are assigned various responsibilities as assistants to the Superintendent in the operation of the high school. Administrative Assistant, Dr. C. L. Schaibly, is charged with the duties usually associated with the position of high school principal. As first assistant to the Superintendent, he has a general responsibility in the total operation of the high school. He has direct responsibility in such areas as admission of students, student records, student activities, and student conduct and discipline.

Ralph S. Brotherton, Business Manager, is in charge of the school's Fiscal Administration and Business Services. His office supervises and executes all business activities of the School District, controls the finances of the clubs and organizations within the school. Budget preparation and execution; the keeping of Board of Education records; the purchasing of equipment, supplies, and services needed by faculty, students, and maintenance personnel add up to a large share of the activities of his office.

The high school instructional and other services are divided into four curricular units each headed by a divisional chairman. Dr. Merle M. Kautzman, Superintendent, also serves as chairman of the largest of these areas, the Division of Academic Studies and Music. There are 78 teachers in this division.

Chairmaned by Paul C. Burke, the Division of Special Instructional Services includes those services which are supplemental to the regular day school. As noted on pages 30 and 31 of this volume, this division also includes the Adult Evening School, the Summer School, and College extension classes.

George Latham is chairman of the Division of Health and Physical Education. Details of this program are to be found on pages 34 and 35.

Orlin D. Trapp heads the Division of Practical Arts and Vocational Education. It is the second largest of curricular units. The scope of its offerings are set forth on pages 32 and 33 of this book.

Below, DIVISION CHAIRMEN. Conferring on problems involving next year's twin campus program are, left to right; Paul C. Burke, Division of Special Services; George Latham, Health

and Physical Education; Orlin D. Trapp, Division of Practical Arts and Vocational Education.

● With the rapid and almost revolutionary advances in educational services has come the need for expanded office personnel. The WHS office staff has been enlarged repeatedly and many of the functional operations have been mechanized to keep pace with the ever-growing demand for speed and dispatch in all phases of communications and records. Among the modern innovations recently adopted is the school-wide inter-com system installed near the telephone switchboard in the school office last year. The most recent addition is a Remington Rand punch card system for recording and posting grades and attendance.

● Hungry students and teachers too, welcome the daily noon hour lunch break. The school cafeteria stands ready to serve the demands of the clamoring throng and a large percentage of the students and teachers take advantage of the efficient service and wholesome food provided at a nominal cost. There are five lunch periods, each twenty five minutes in length. Fifteen women workers, all local house wives, are employed on a part-time basis. They work under the supervision of Mrs. Louise Love, cafeteria manager.

An important area of the high school is the maintenance and custodial department headed by Mr. William Carter, director of services, buildings and grounds. The twenty five men and women on this staff perform a most essential service in insuring the smooth operation of the physical plant within which the high school instructional program must function. Among the divisions of work assignments are: heating, cleaning, general and emergency repair, laundry, transportation, snow removal, lawn and landscaping, stage and classroom rearrangement, and waste disposal. The crews work on eight hour shifts.

Other members of the maintenance staff not in picture are: Alvin Bassett, William Clark, Anthony Debevic, William Heisterkamp, Robert Hullman, Torvo Kangas, Carl Larson, Robert Learmont, Shavash Magerdichian, John Niemi, Louise Norris, William Suhadolnik, Mrs. Josephine Wagner, Clyde Woodham.

● The WIHS faculty is organized into an all-school teachers' association with officers elected from the staff at large. Functioning through a number of committees, the association is responsible for the programs at the monthly faculty meetings. A social committee has charge of all faculty social functions such as the annual fall picnic, the Christmas breakfast, and

the mid-year dinner meeting. A special elected group is the Welfare committee which functions as a liaison between teachers and the administration including the Board of Education.

Two independent organizations of the faculty are The American Federation of Teachers, Local 504, and a unit of The Illinois Classroom Teachers Association.

WTHS Parents Show Active Interest

● Spearheaded by an active group of officers, the high school PTA has taken a leading part in bringing a closer cooperation between parents and the faculty. The first meeting at the high school was called early in September following preliminary board sessions earlier. The group's main emphasis during the past school year has been the promotion of a series of open house sessions, both general and by emphasis on each of the high school classes. Parents were invited to visit teachers in their respective classrooms to confer on problems relating to their girls and boys. Dr. Colon L. Schaibly is the high school's representative of the PTA Board. Mr. Donald J. Hodge was president.

Dr. Merle Kauffman, superintendent, acts as chairman of the Division of Academic Studies. In the administration of the Division he is assisted by department chairmen of the several instruction areas. The chairmen confer with the superintendent on such matters as changing or adding courses, staffing, supplies, and equipment, and coordination with other departments. As times change, the school curriculum must change. This group carries the heavy responsibility for planning those changes in the academic areas which are desirable for W I H S.

ANALYTIC MODERN EUROPEAN HISTORY is an elective course taken primarily by seniors. The subject deals with the history of Europe from the Renaissance to the present. Ken Hunt is shown pointing out the location of a historical happening.

Adopt Automatic Grade & Record Forms

• The Division of Special Instructional Services under the direction of Paul C. Burke, had one of its biggest years in 1958-59. New services were added and the quality of others were improved, thanks to the excellent support of the Board of Education, Administration and the Division personnel. Mr. Norman Feldman, School Social Worker, was added to the staff to counsel with high school students who have serious home, school, or personal problems which interfere with good academic achievement.

This was the year, too, that mechanization set in. Daily attendance taking was shifted from a completely manual operation to a partially mechanized one. Tabulating cards were made out for each student in such

a manner that it was possible to obtain an alphabetical list of absentees in minutes. Student grades were also reported by means of these special tabulating cards and within three days at the end of the semester a class ranking was available on all 700 freshman students. Next year it is expected that all classes will be so ranked. Miss Eleanor Moore worked this year as an assistant in the Library, leaving her previous position as Student Council advisor and Social Studies teacher.

The Adult Evening School under Mr. Mann's direction had its largest enrollment in the history of the school. With its college extension courses and other specialized courses, 1959 graduates should look to the AES as having possible advanced education opportunities. The other areas of this Division are pictured on the adjoining pages.

School-wide epidemics this year included among others, malachias, Downstate fever and Seniorsitis. Both of these afflictions seriously endangered the graduation prospects of many.

Train For Practical Arts And Vocations

● The Division of Practical Arts and Vocational Education makes a definite contribution to the general education of all students as well as to the specific technical and vocational training demanded by many high school students and adults.

In view of the fact that approximately 80% of the students who enter high schools do not enter other institutions of higher learning, but go into the work world, in addition to general education, individuals need to be well groomed in the fundamentals of art, business education, homemaking, industrial arts and trade and technical training. With this background, after graduation he may adapt himself to the employment opportunities of our community, which offers most of its jobs in business and industry.

The opportunity for a Waukegan Township High School student in this Atomic Space Age is limited only by his vision of what the future may bring.

Above, Dick Gillespie, freshman, is sheet metal stock on a foot power press in Mr. Baker's orientation class in metals.

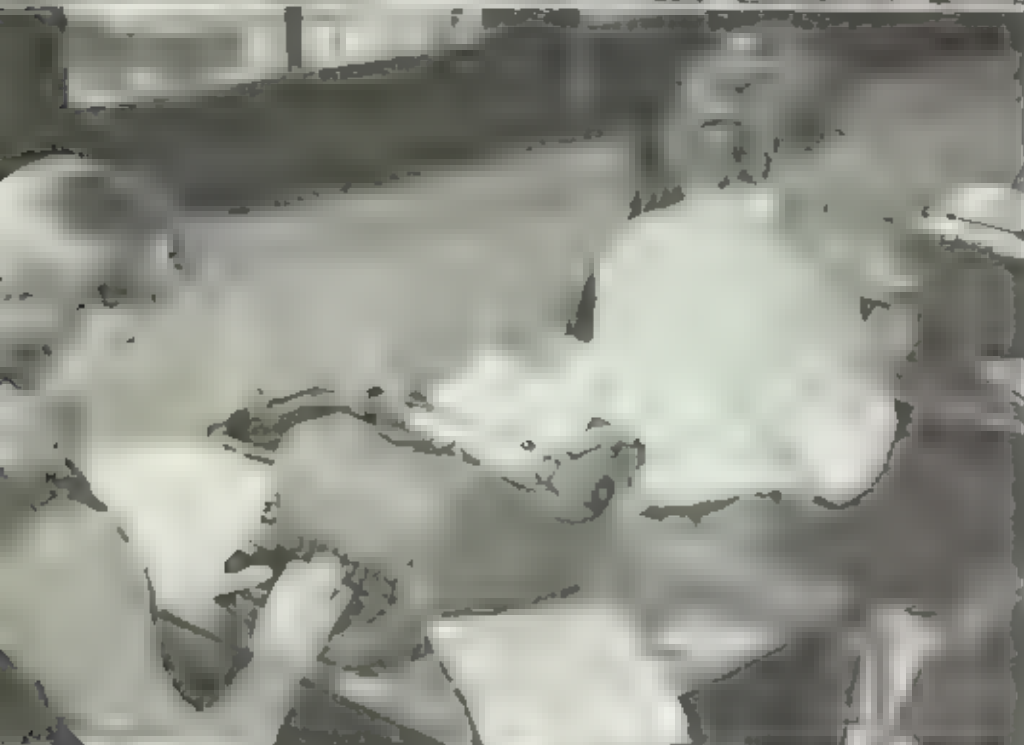

Above, Miss Alice Kalme, drafting student, is busy in the board room. Miss Kalme is a drafting student. Drafting is a requirement for all students. Pre-engineering college students are also working on drafting training a big help.

Below, PRACTICAL NURSES TRAINING. Mrs. Elizabeth Vickers, clinical instructor, standing supervises Miss Alice Kalme, ski and Mrs. Mary Briggs, employing stethoscopes and bandages, taking a course in practical nursing. Miss Virginia Bowers, practical nurse, is also present.

Health, Physical and Driver Education

● This division includes several departments within the curricular and extracurricular programs of Waukegan Township High School. The division program provides for instruction and student participation in many areas—health education, physical education, safety, driver education, sports appreciation, ROTC, Military, intramural sports and interscholastic athletics, as well as the several related clubs and student organizations.

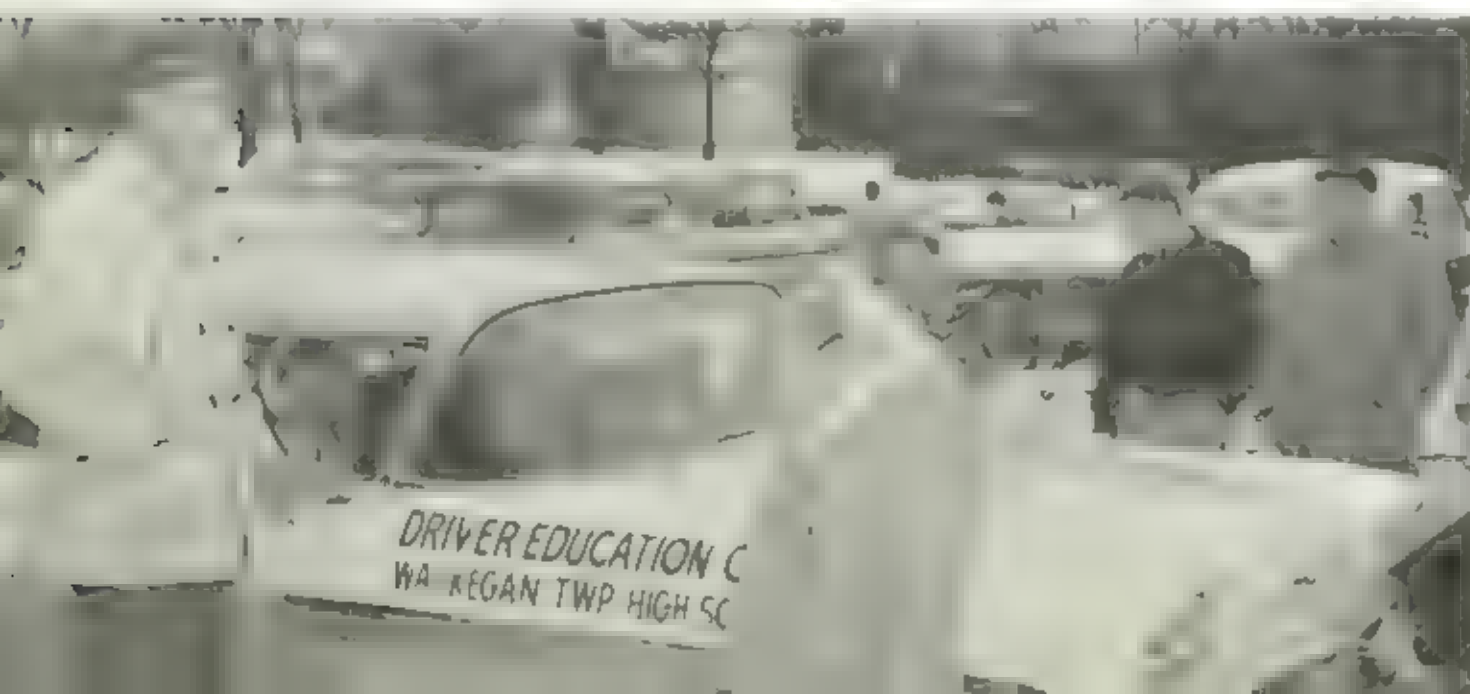

Physical education has come to be an essential part of American public education. In this age of automation much of the physical activity that was the normal part of the daily living of our youth has been eliminated. This makes the physical education program in the schools more significant now than ever before. A revival of the educational concepts of the Graeco-Roman world seems to be appropriate today,

expressed by the dictum, "A sound mind in a sound body."

Physical education at the high school level provides the opportunity for the learning of sportsmanship in addition to the development of a wholesome physical ruggedness. In an era of sedentary habits, educators are concerned with the building of proper student attitudes relating to total fitness—physical, mental, emotional. Total fitness for active living demands participation in wholesome physical activities. Since the "power building" years are "seven to seventeen," it is the purpose of physical education to contribute generally toward a life of good health. A sound investment in health and happiness may be achieved by the participation of every boy and girl in the many wholesome sports activities demanding physical effort.

Classes

These are our Classes—Freshmen, Sophomores, Juniors, and Seniors—all striving NIGHT AND DAY to reach the same goal, the preparation for a happy and useful life. Through our classes we are guided toward this goal by acquiring an education and by learning to get along with our teachers and classmates.

ROW 4: Dan Labus, Mike Greenblatt, Tom Bien, Dick K... and Bill Crowlev. The Class Council cooperates in governing school activities. They are representatives of their respective homerooms. It is their duty to help the school.

Last Four-Year Class Leaves East Campus

● One more class has completed the four years of secondary education leading to a diploma from Waukegan Township High School. The class of 1959 graduating on June 4, numbers 527. The officers for the senior year were Steve Wilson, president; Mike Kennedy, vice-president; Dex Miller, treasurer; and Marianne Krogman, secretary. With the assistance of the faculty sponsors, Miss Elizabeth Craine, and Miss Kathleen Heaton, and the class counselors, Mrs. Coleta Wright and Mr. George McDill, the senior class was guided through its last year of high school.

Among the many memories which will remain long after graduation are those of the Senior Class Banquet, held January 29, at the Swedish Glee Club. At

this important event the seniors were entertained by speeches by Dr. Kauffman and Dr. Schaubly, monologues by Bill Pitts and Liz Cole, a vocal solo by Gwen Davis, and the hilarious Senior Combo featuring Nancy Strand as vocalist. Vaughn Koshkarian did a fabulous job as master of ceremonies for this big night. Members of the senior dramatics class, who put on the production of "The Man Who Came to Dinner," staged May 21-23, also added to the memories of the senior year.

We were proud to have three students who earned the honor of Valedictorians this year. These students were Al Hudson, Fran Jarc, and Dick Macken.

● The 1958-59 school year was wound up by a number of senior activities. The chairman of the finance committee for the final activities was Pat Schad. Senior Skip Day was in the able hands of chairman Vaughn Koshkarian. Sharon Brumund was chairman of Announcements and Dorothy Landrates of the Caps and Gowns committee. Darrell Shook worked hard as chairman to make the Baccalaureate service on May 31 a success, and Al Hudson worked as chairman of the Commencement Exercises which took

place on the evening of June 4.

The final senior social activity was the Grad Hop on June 3. The theme for this dance was "Savonara", and those attending danced in an oriental atmosphere at the Glen Flora country club.

Although life will direct the graduates into many different channels, one memory will always remain with them—the proud memory of having attended Waukegan High for four years together.

Class of 1960 Prepares For Final Effort

● It seems like only yesterday that the Class of 1960 was entering W.T. H.S. as Freshmen. The days and nights have gone by so quickly that it is hard to believe they have completed their Junior year and are preparing to enter the fourth and final year.

Elections for Junior Class officers were held near the end of the Sophomore year. Kent Wooldridge

assumed the responsibility of class president. Other officers elected were Ron Leafblad, vice-president; Pat Prorok, secretary; Guy Olson, treasurer; and Judy Schiek, prom chairman. Assisting and advising the class were the sponsors, Miss Vera Jerg and Mr. Arlen Felchner. Together with class committees, the sponsors and officers had a busy year.

Above, JUNIOR CLASS OFFICERS. Left to right: Ron Leafblad, vice president; Pat Prorok, secretary; Guy Olson, treasurer; Judy Schiek, prom chairman; Kent Wooldridge, president. Charlie Moore and Ron Leafblad were elected to represent the class on Student Council.

Below, JUNIOR CLASS COUNCIL. Left to right: ROW 1: Dick Phillips, Jerry Ward, Mark Beaupien, Kent Wooldridge, Dick Stevens, Jean Gould. ROW 2: Carole Kolens, Sandra Reen, Betty Jo Clark, Claudette Simon, Corene Wirtala, Pat Brunetti, Ann Foley, Carol Malek. ROW 3: Dick Hershman, Bernie Drew, Bill Toll, Fred Jakolat, Rick Platz, Guy Olson, Charlie Moore.

1959 Promenade Highlights Junior Year

At right, JUNIOR PROM COMMITTEE CHAIRMEN. Each year the Junior class sponsors a prom. From left to right: Charles Offerloch, decorations; Margie Kay Rhue Layton, post prom; and Judy Schick, general chairman.

At left PROM COMMITTEES. Seated, band for the Prom is ~~at left~~. Working to make this year's Prom ever are left to right, Virginia Rawn, coronator; Glen Anderson, Jeff Diver, music; Jerry Sark, John Stevens, grand marshal. Seated at right are Ruth Ewald, co chairman in charge of the coronation.

At left, INVITATIONS AND PROGRAM COMMITTEE The committee is discussing the price and design of the invitations and programs for the Prom. Pictured here examining various samples are, left to right, Barbara Duescher, Mr. DeLoach, Mr. Geyer, Mr. Robert Nickel, sponsors; Christel Olmsmann, Sandra Kaddatz, and Marcia Belmke.

A grid of 42 black and white portrait photographs of students, arranged in 7 rows and 6 columns. The students are of various ethnicities and are dressed in mid-20th-century attire. The portraits are set against a light background. The grid is as follows:
Row 1: 6 portraits of students, mostly young men with short hair.
Row 2: 6 portraits, including a young woman with dark hair on the far right.
Row 3: 6 portraits, featuring a student with glasses in the fourth column.
Row 4: 6 portraits, with a student wearing a cap in the fifth column.
Row 5: 6 portraits, showing a variety of hairstyles and expressions.
Row 6: 6 portraits, including a student with glasses in the sixth column.
Row 7: 6 portraits, mostly young men with short hair.
The overall composition is a formal yearbook-style grid.[illegible]

1. C_{10}H_8 (1,2,3,4,5,6,7,8-octalene) is a linear chain of eight carbon atoms, each bonded to one hydrogen atom. The structure is a zigzag chain of eight carbons, with the terminal carbons each bonded to one hydrogen atom and the internal carbons each bonded to two hydrogen atoms. The formula is C_{10}H_8 .

At left, CLASS RINGS. One event eagerly awaited by seniors is the arrival of class rings. The rings are displayed on a table in the gymnasium. The rings are designed by the class ring company. The rings are a symbol of the class and are a reminder of the years spent together. The rings are a symbol of the class and are a reminder of the years spent together.

Above SOPHOMORE CLASS OFFICERS. Left to right: Penny Larson, treasurer; Barbara Westcott, vice president; Pat Merlock, secretary; and Ted Carvis, president. They were elected at the

close of the Freshman year after much campaigning and hard work on the part of all candidates. Chosen to represent the class on Student Council were Pat Merlock and Jim Hellquist.

743 Sophomores Top Class Size Record

● Under the sponsorship of John Baker and Robert Joer, the class of 1961 has now attained the halfway mark toward graduation. The class has the unique distinction of being the largest class on record at W.T.H.S. The 743 members made history during the first two memorable years of their high school career as they took part in school activities.

"Breath of Spring" was the theme of the annual class party planned for the evening of March 2. The party was cancelled, however, due to the trip to Champaign for the Illinois State basketball tournament. Although all sophomores were disappointed about not having their annual party, they were assured that next year's Junior Prom would compensate for the loss.

A large grid of 100 black and white portrait photographs of students, arranged in 10 rows and 10 columns. The students are of various ethnicities and are dressed in formal attire typical of the mid-20th century. The portraits are set against a light background, and the overall layout is a uniform grid.

Members of the class enjoyed dancing to their favorite records in addition to the entertainment provided by a hypnotist. Refreshments are being distributed in the picture above.

● In the spring of 1958 all incoming freshmen were given standardized tests. Later, meetings were held at the various schools between high school representatives and prospective freshmen and their parents. Registration procedures were discussed. Enrollment cards were filled out by eighth graders, with the assistance of high school personnel.

On September 2, 1958, six hundred and fifty nine Freshmen, all eager to begin their high school careers, entered W I H S. with overwhelming enthusiasm and school spirit. The purpose of Orientation Day was to acquaint these new students with high school. Following welcoming speeches given by the administration, faculty, and student leaders, the "Greenhorns" received their daily class schedules. To some, already familiar with the buildings, the task of locating rooms with the right numbers was relatively simple. To others, that first day was one not easily forgotten. The afternoon found the girls being entertained with a tea and style show, while the boys enjoyed a program sponsored by the "W" Club. Thus ended their first day of high school.

Chosen to represent their class on Student Council were Sally Hadsell and Dave Keeley. The Freshmen

failed to elect class officers. Miss Jesse Whyte served as counselor to the freshman girls, while Mr. Waldorf and Mr. Mallory advised the freshman boys. The Class of 1962 owes many thanks to Mr. Harro and Mr. George Reid, the class sponsors.

Next year, as sophomores, the class will attend the new 9-10 grade school. The school life of students will undergo many changes. The new West Campus building has no study halls; therefore, students must be scheduled into classes throughout the day. All sophomores are required to take English and Physical Education. Electives are grouped into two classes: pre-professional and special interests. Math, history, and foreign languages are considered pre-professional. Special interest subjects include business education, industrial arts, home economics, and music. Twenty-four weeks of R.O.I.C. and twelve weeks of Driver's Training are required of all sophomore boys. Girls also receive instruction in driving, along with a course in home living.

This year's freshman class is one all W I H S. can truly be proud of. It is our hope that this class will bring numerous honors to the new 9-10 grade school.

Freshmen Who Do Not Have Pictures In The Class Section

Organizations

These are our Organizations—providing extra-curricular activities for the students NIGHT AND DAY! Everyone can belong to a club since WTHS offers an unlimited variety of them. Active participation in a club provides fun and an opportunity to serve the school and community, as well as affording additional education.

Student Council Is Training Ground

● Waukegan High School's Student Council is the working link between the student body and the faculty and administration. The Council is composed of sixteen students: two representatives from each class, seven officers elected from the school at large, and the school's exchange student.

Waukegan participated in the American Field Service exchange student program for the fourth year. This year's exchange student was Hasan "Eric" Birol, from Istanbul, Turkey. Present plans are to bring two exchange students to WIHS for the coming school year. One will be a boy and the other a girl. Waukegan will also send one exchange student to Europe for the summer. To date, only members of the Student Council have had the privilege of participating in the exchange program.

The group meets daily for one period throughout the school year. At present there are two faculty sponsors working with the Council, they are Mr. William Webb and Miss Arline Gilbert, both of the Social Studies department.

Below, EXCHANGE STUDENTS Roy Kynclberg and Eric Birol are discussing their travels. Roy, a WIHS senior, spent the past school year in Europe. Eric, of Istanbul, Turkey, spent the past school year as exchange student at WIHS.

Goal Is Good Citizenship

● Among the projects sponsored by the council during the past year were: a mixer dance early in the fall; the miniature picture program; a transfer students' party; a Foster Parent Drive; a slave auction; and a school clean-up campaign.

Election of Council officers is held early each spring. Any student with an average or better scholastic record is eligible to circulate a petition and become a candidate. Officers elected for 1959-60 are: Rick Platz, president; Ron Leafblad, veep; Ruth Ewald, secretary; Charles Moore, treasurer; Marjorie Kaiz, publicity; Judy Cavanaugh, activities; and Lynn Mitchell, social chairman.

Annual "W" Enjoys Traditional Status

● With more than sixty years of tradition behind it, the Annual "W" has become an important part of the high school. Recorded between the covers of each volume is the story of the school year chronicled in pictures and printed copy—a story that grows and increases in interest and historical value with each passing year.

While the Annual "W" is written and published by students and primarily intended for students, it has

come to be accepted as an increasingly valuable medium of disseminating information about the work of the high school throughout the local community.

● As a memory record the Annual "W" enjoys a unique place in the family bookshelf. Many local families boast series of Annual "W" editions dating through several decades and recording the school history of three or more generations.

Four members of the Annual "W" staff, Bob Muschewski, Carolyn Sondet, George Meslow, and Marcia Bohne, traveled to the University of Illinois campus for the State High School Press Conference in October. ment of the modern yearbook has become an arduous undertaking requiring the concerted efforts of a staff of students working daily throughout the entire school year.

Pictures have become an increasingly effective medium for telling the story of the school year. Members of the high school Camera Club have for several years assumed the responsibility of covering the campus story in pictures. This is an assignment which requires many hours of out-of-school work, including before and after school, evenings, and weekends. Without the assistance of this extra staff of energetic workers, the Annual "W" as the students know it today would not be possible.

Printed in two colors on a 9x12 inch page, the modern Annual "W" is a book of approximately 200 pages. It includes individual pictures of all students, teachers, and other school personnel, as well as group

pictures of all high school organizations, athletic teams, and other activity groups.

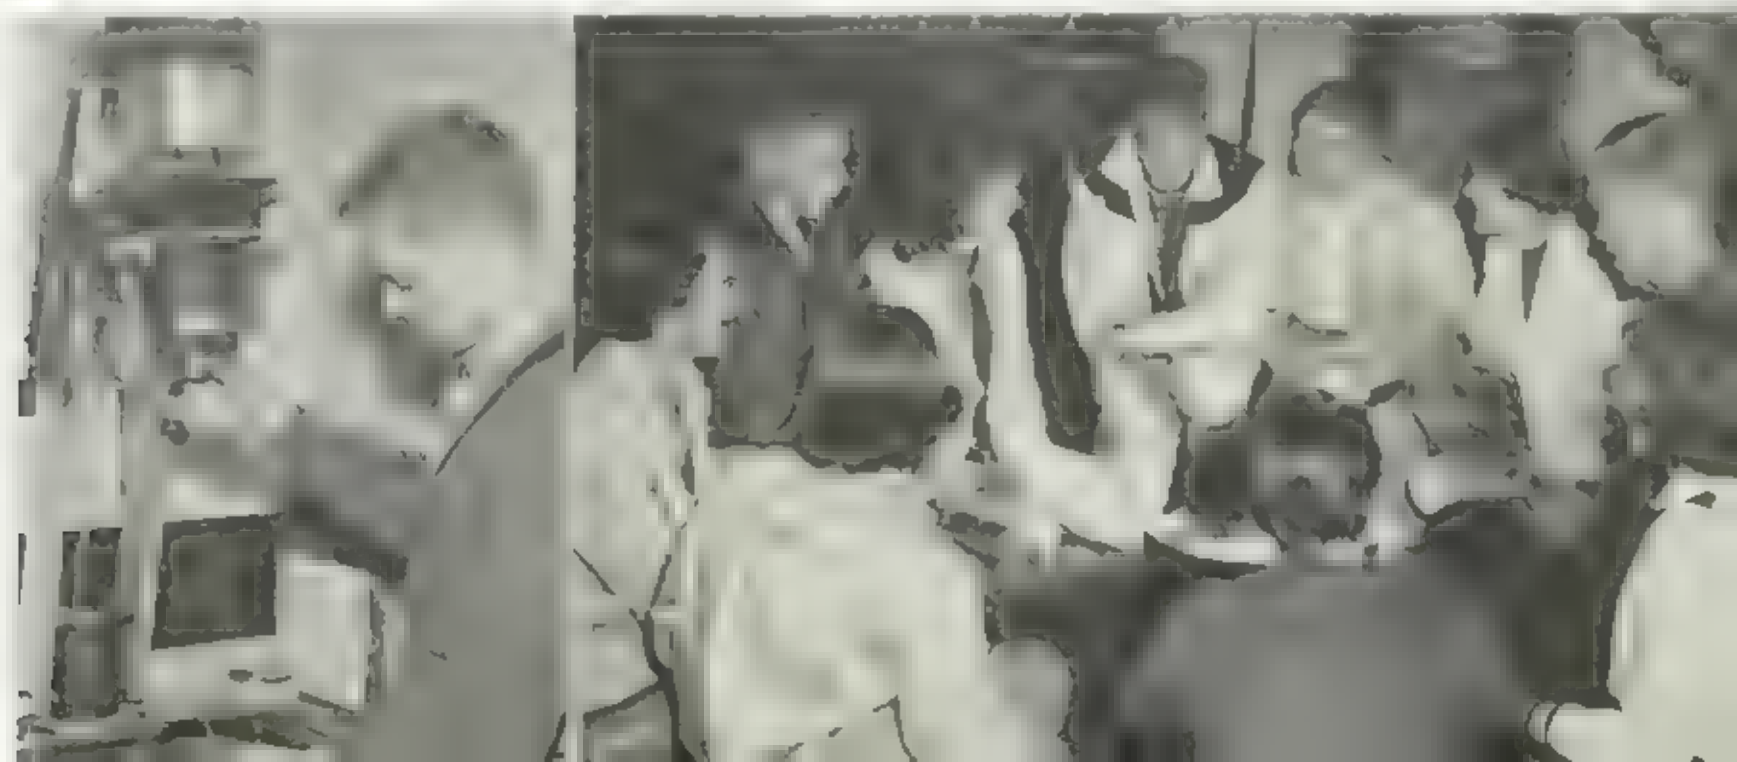

A complete index has been a special feature of the Annual "W" for several years. This gives a ready page reference to pictures of every individual and group included in the book.

The WTHS Annual "W" has consistently maintained a top rating among high school yearbooks as judged by two national scholastic press critical services. The books are rated on the basis of general organization of content, completeness of coverage, page layout, typography, photography, reader interest and appeal, headlines, and attention to editorial details.

Faculty editorial and business advisor is Edwin C. Meslow. The student staff meets in two groups daily, the one group working mainly on subscription sales, advertising and typing, while the other constitutes the editorial production staff.

Student "W" World Keeps Us Informed

● *Student "W" World*, the high school newspaper, is written for students of WTHS by students of WTHS. Most of the staff have undergone a training period in journalism, a course open to any sophomore, junior, or senior. It takes more than a week to put out an edition. Assignments are made by the editor-in-chief and managing editor on Wednesday. All stories are due Friday. Monday, however, is the deadline for all

stories which occur over the weekend. Tuesday is the busiest day of the week, for then the paper is made-up. The staff arranges the stories on each page by pasting them on the dummy. Headlines are written and the dummies go to the print shop where the boys print and fold the papers for distribution from the "W" World room by homeroom representatives on Friday. By this time the next week's edition is in process.

Audio Visual Services Here Are Tops

Above SERVICE HUDDLE. Terry Cook (center) is demonstrating a new tape recorder to other members of the Audio-Visual Service Group. Left to right, they are Edwin Parkhurst, Mrs. Geraldine Waldorf, departmental secretary Spencer Robertson, Robert Goncoe and Tom Coos.

● The Audio-Visual Department of the Waukegan Township High School has been proclaimed by many experts in the field as having developed one of the outstanding programs in our country. The program has been developed as a result of the cooperative efforts between the students, teachers, the audio-visual department, administration and the Board of Education, over the long period of years since its inception in 1937.

The Audio-Visual Department is a special service organization, planned to supply audio-visual materials to students and teachers with the least amount of effort on their part. The well organized staff of students in the Audio-Visual Club assist Geraldine Waldorf, the Audio-Visual Secretary, in the distribution of equipment and materials. This department supplies sound film, sound film strips, phonograph records, filmstrips, miniature slides, models, maps, charts, sound film projectors, portable public address equipment, control readers, tape recorders, miniature slide projectors, transcription recording, tape recordings, posters, pamphlets, still pictures, overhead projectors and television sets.

Audio-visual aids are effective tools in the hands of skilled users, allowing the presentation of a much broader educational program. The administrative staff encourages the use of audio-visual aids only when they can more efficiently train the students. Audio-visual materials can be used effectively only in a classroom situation, to that end the department has attempted to provide sufficient and adequate equipment. Each year new equipment and materials are added and additional rooms

Camera Club Provides School Publicity

● High school camera enthusiasts find a ready outlet for their hobby interests in the Camera Club. Meeting on Tuesday afternoon of each week, they exchange ideas and through the medium of films, lectures, demonstrations and lab work beginners widen the scope of their interest and acquire new techniques.

Advanced members contribute to school publicity service corps with supervised pictures for use in the Annual Yearbook, Student World as well as other school publicity outlets, including the News Staff, Camera Club and many professional magazines. Funds are raised through the sale of extra pictures and from portraits taken at formal dances.

Clubs Stress Creative Literature, Art

● The Literary Club was organized last school year for the purpose of publishing students' original essays, short stories, poems, and cartoons. This material is elected and compiled for the *Parchment*, a school magazine, which has grown to three editions per school year. This literary project is a success because of the fine material submitted by students.

It is considered an honor to have one's literary efforts published in *Parchment*. All entries are carefully judged as to appropriateness, interest, and excellence. First, the student's English teacher grades and approves the work. It is then submitted to the Literary Club where it is scrutinized by at least four club members. Final approval is given by the editor and by Mrs. Margaret Cary, the Literary Club sponsor.

● The purpose of Arts Club is to stimulate the students' interest in the many aspects of art. A club member need not be a good artist, but he strives to develop an understanding and appreciative attitude toward the many fields of creative art. He learns to plan in an original and personal manner.

Sunday, December 14, the club made a trip to Libertyville and visited the Libertyville Art Center. In April the club visited the Art Institute of Chicago. The club worked on projects, which were entered in a contest, for Junior Red Cross which is sponsored by Miss Oke. Besides these special activities, there were many informal gatherings through the year. Mr. Everett Misunas, the club sponsor, is always ready to give advice to anyone.

Biology Group Delves Into Life Science

Many interesting and educational opportunities are available to members of the Biology Club. This year the club sponsored trips to the Chrysanthemum Show, the Museum of Science and Industry, the Lincoln Park Zoo, the Museum of Natural History and Shedd Aquarium. These trips proved both interesting and educational.

The annual Biology Club Banquet was held on

December 11. Those who attended enjoyed a delicious chicken dinner, and Dr. Otto, a pharmacologist from Abbott Laboratories, was the guest speaker. Dr. Otto showed slides and spoke on his trip to Alaska. This banquet was enjoyed by everyone. One of the club projects is the club magazine, the Biologue. This magazine is published every six weeks and contains articles of interest written by the members.

Open house was held in the spring to exhibit projects by the members. Parents, students, and faculty were invited to view the projects. Some were chosen to be entered in the District Science Fair where students had the opportunity of viewing other projects from many nearby schools. Thanks to Mr. Ogden H. Poole, club sponsor, the Biology Club had a very eventful year.

● Following a test given by the Joseph Berg Foundation in April, 1958, WTHS students who expressed an interest in science were selected by the WTHS faculty and local scientists. Twenty students were chosen to participate in the Seminar.

During the course of the school year lectures by seminar students, field trips, discussions, and films contributed to the success of the Seminar. One outstanding program presented by Dr. Nelson Limber from Yerkes Observatory was entitled "Stellar Evolution." Mr. Richard Fox sponsors both groups.

● In the spring of last year, a new club, the Science Research Seminar Group, was organized. The members of the group assign themselves various research projects. All are done on an individual basis. The projects are not expected to be completely finished because of the many diversified lines they may branch into.

Members attend lectures given by local scientists. Many field trips are available. It is hoped that the members will be better able to cope with today's scientific world because of their work in this group.

Nurses of Tomorrow In Training Today

● The Future Nurses Club attempts to encourage high school girls in nursing, or the related fields as a career. Its purpose is to create interest in nursing as a profession, to explore what this career offers, to examine the requirements for various nursing schools, and to help its members select a school of their choice.

To assist the girls in preparing for their pre-nursing tests, study groups are held by Mr. Grosche, co-sponsor of the club. These study groups last for about eight weeks and cover several phases of biology, chemistry, mathematics, and physics. The tests are very helpful to

the girls, and they also help determine which girls are qualified for scholarships.

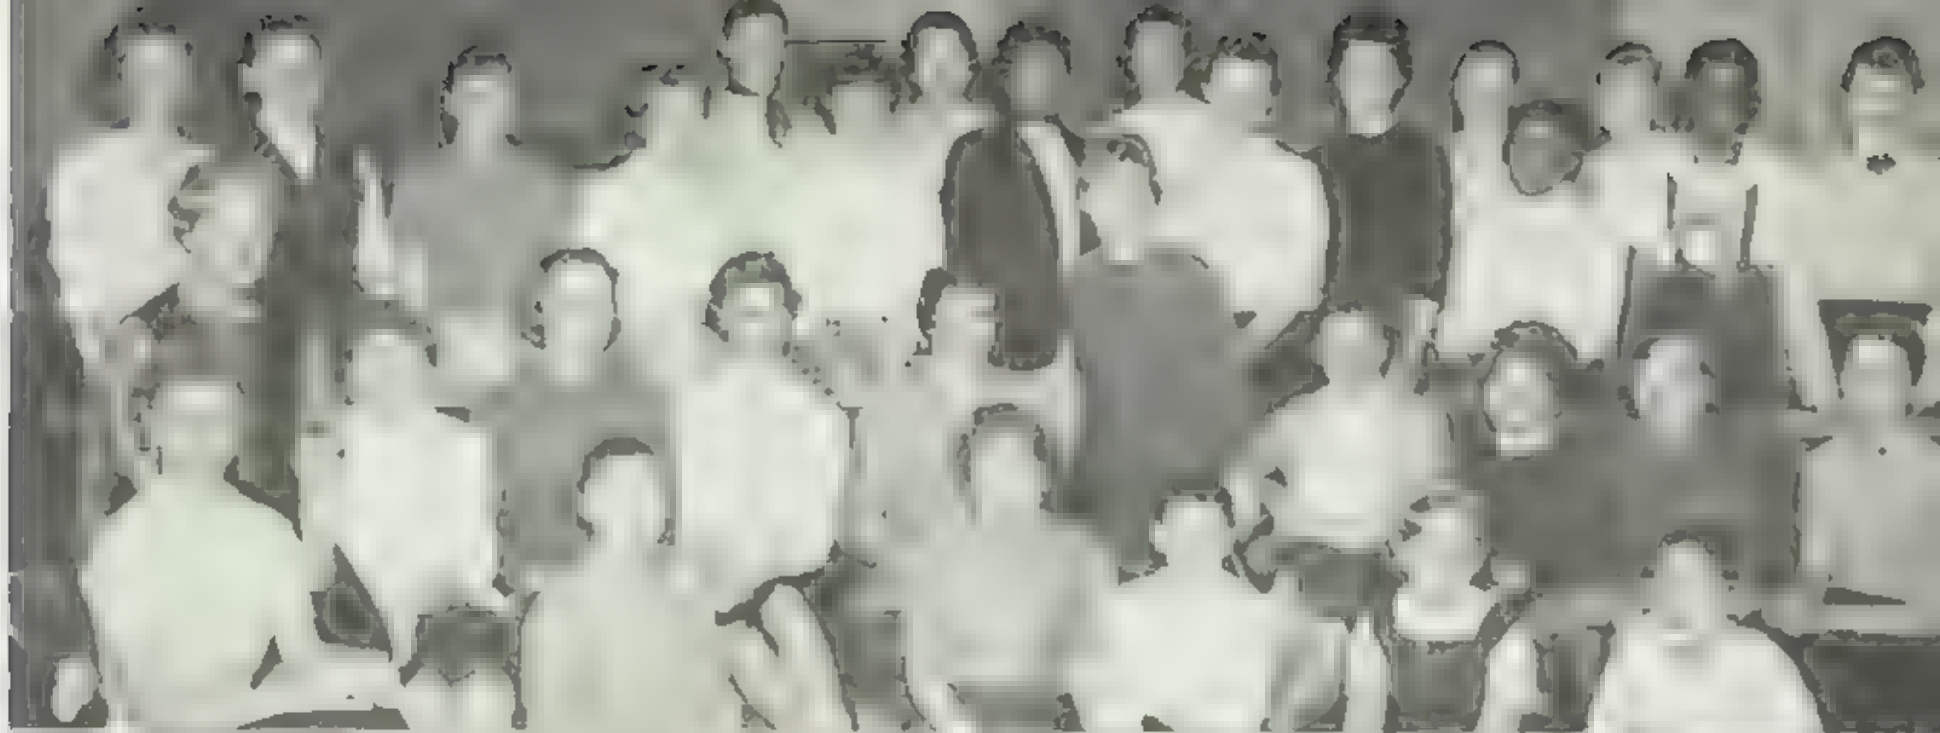

This year the club held various moneymaking projects which substantially support the scholarship fund. Among these projects were selling basketball programs and pennants. Another project was the filling of a Christmas basket for a needy family.

The girls also assist with the Dental survey, the T.B. survey, and physicals. Several of the girls work in the Health Center during their study halls. They assist not only Mrs. Bils, school nurse and co-sponsor of the club, but also Dr. Walter J. Reedy, school physician.

Teachers for Tomorrow—French for Today

● In a few years the schools in this country will have to have as teachers many of the girls which presently belong to the Future Teachers of America. The purpose of this organization is to promote an interest in teaching and to help acquaint the student with the profession. One of the most interesting meetings was a panel composed of some of the teachers on the WIHS staff. Faculty sponsor is Miss Therese Hildebrand.

● As the phrase goes, "When in Rome do as the Romans," but "When in Room 15 do as the French do." You haven't guessed? Room 15 is WIHS French Headquarters. Each day over a hundred eager students pass through the portals to say "Bonjour" and "Au revoir" to Professor Virginia Covelli. Not only did we study our verb conjugations and vocabularies but, with Miss Covelli's guidance, we also study the cultures of the French—their artists, writers, literature, and influential periods of history.

Waukegan's Own Deutsche Gesselshaft

● With its variety of functions the German Club has enjoyed a very interesting year. At the October meeting a hypnotist was the main attraction. Several members of the club were actually hypnotised and did a few rather incredible things.

In November members spent a day in Chicago attending a double-feature German movie after visiting the Museum of Science and Industry where many of the members toured the German Submarine, U-505.

December found the club making plans for the annual "Weinachten Fest" which was held in the Girls' League Room just before Christmas vacation. Our customs include exchanging gifts, playing games, the singing of Christmas Carols in German by a girls' sextet, dancing, lighting the candles on the Christmas tree, and, of course, enjoying refreshments.

The Banquet in March provided members with many delicious memories. What could be more appealing than a German potluck—"Kartoffel Salat und

alles"? This delightful evening brought all very close to Germany through its well known dishes.

Again this year a large number of third year students along with some in second year took part in a German contest at Northwestern University in early May. The students who entered in the contest were selected on the basis of a competitive exam given to all second and third year students. Those students who took part in the contest were: Robert Larson, Roger Stonelake, Raymond Lock, Helga Kramer, Ursula Dumont, Don Haverkamp, JoAnn Woolridge, Charles Waud, Gretchen Gissibl, Fred Jakolat, and Tom Gilkey. This was good experience for all who attended.

No year would be complete without a picnic and the German Club's was no exception. We spent an afternoon at Petrified Springs enjoying games, frankfurter Braten, and just having fun. German Sailors from Great Lakes were our special guests that day. "Auf Wiedersehen" bis nachstes Jahr!

Student Groups Revive Classical Culture

● Something new was added to the activities of Junior Classical League this year. This is the first time that this club, better known as Latin Club, has participated in Recreation Night. The famous Roman southsaver, Rosemary Peternel, told W.T.H.S. students their fortunes for only five cents. Drumming up business for her was Bruce Pecaro, the well known barker.

Latin Club is open to all students taking Latin or those who have taken Latin at some time. With Mr. Fred Stefano and Miss Doris Calfee as sponsors, the club is striving to fulfill its purpose of acquainting the students with the lives and customs of the ancient Romans and promoting a better understanding of the classics. The active membership for the past year was sixty, representing all four years of high school.

Another first this year was the third year Latin course. For the first time, interested students were able to earn a major in Latin.

In December, the Latin Club held its Christmas party in the Girls' League room. Under the direction of Candy Veith, chairman, the party consisted of singing Christmas carols in Latin, refreshments and dancing.

Every year the Latin Club and German Club join together to plan a dance. The plans were beginning to take form, when the dance was cancelled because of conflicting school activities.

The "Cena Martia," commonly known as the Latin banquet, was held on March 19, in the Teachers Cafeteria. Larry Petroski, banquet chairman, arranged the entertainment. Dr. and Mrs. Colon Schiably, Dr. and Mrs. Merle Kauffman, and Mrs. Melba Wixon received formal invitations. As in years before, the dinner consisted of food similar to what the Romans ate. Those wishing to do so could wear the Roman dress, the toga, and eat their dinner with their fingers.

South of the Border To El Circulo Espanol

● El Circulo Espanol enjoyed a successful year according to the sponsors, Miss Marian Cox, Mr. Joseph Micka, and Mr. William Scarseth. The club, one hundred and fifty members strong, was organized by Charon Brummund, president, Ken Nauta, vice president, Virginia Rawn, secretary, and Kathy Owens, treasurer.

The purpose of the organization is to stimulate

interest in Spanish and Spanish-speaking people, through recreational programs, lectures and films. By sponsoring a "Travelogue in Spain" the club became acquainted with the language and of their second language. The December Christmas party was held at the caterer with the breaking of the traditional "pinata" as a feature. The annual banquet, a gourmet's delight with typical Spanish food, proved a popular event.

Good Speech Masque and Gavel Emphasis

● Promoting the use of good speech in the home, in the school, and in the community is the aim of the Masque and Gavel Club. Being an honorary organization, only those students who have achieved a certain degree of proficiency in speech work are eligible for membership. Monthly potluck meetings are held in the homes of the club members.

Speech contests play an important part in the work of Masque and Gavel. Every member participates in the contests. In December, under the direction of Margie Katz, Waukegan sponsored an Invitational Speech Meet. During January representatives from Waukegan attended the Invitational Meet at Thornton Park School in Calumet City. In February, winners of the intra-high school contest traveled to the district contest in North Chicago where Waukegan obtained firsts in comedy play reading, original monologue, after-dinner speaking, and poetry reading. These winners then proceeded to the sectionals in Arlington Heights.

One of Masque and Gavel's chief money-making projects is the sale of student directories which was handled this year by Daniel Brumm. Harbor Lights was the 1959 theme for the annual dance. It was held in the school cafeteria and was very well attended.

National Thespians Boost Dramatic Arts

● National Thespians Society is an honor organization of students who have done outstanding work in dramatic arts. Thespians attempt to create interest and further the cause of dramatic arts in high school.

Definite membership qualifications are observed and high standards upheld. In a candlelight ceremony held

in December, eight new members were initiated, bringing the club membership to nineteen.

Plays sponsored by Thespians this year were "My Sister Eileen," "Our Town," "Julius Caesar," "A Man Who Came to Dinner," and "Three's a Crowd." Faculty sponsor for Thespians is Mr. Wm. Vilhauer.

Sharp Tongue Does Not Always Revile

● Speaking before the public is, for most people, an extremely difficult thing to do. At W.T.H.S., however, students are trained to overcome this stage fright through such public performances as debate, tournaments and speech contests that N.F.L. members in this year sponsor several times during the year.

To become a N.F.L. member one must earn 25 or more points by participating in speech activities. Through these media students learn to speak well, to organize their thoughts to think clearly, to have poise and self-confidence, to be co-operative and alert, and to accept both victory and defeat with a smile.

● WTHS has two slide rule clubs which are known as the Beginners and the Advanced groups. The attendance at the regularly scheduled meetings clearly indicates that boys and girls at WTHS are very much interested in learning all they can about making calculations rapidly with a slide rule. It seems that science and mathematics students are aware of the fact that a slide rule is a part of their education. It makes certain calculations just a little bit easier.

As in the past, the two clubs held a Christmas Party in the teachers' cafeteria. Besides munching donuts and drinking soda, some of the members took part in the slide rule contest. A pocket slide rule was awarded to Jim Conzelman and to Kenneth Venisnik. All mem-

bers present enjoyed the party and are waiting for the one to be held next year.

The advanced group this year were supplied with a special slide rule instruction book which was purchased through funds from the Slide Rule Club. These instruction books are used during the regular meetings and students are encouraged to work problems with the aid of the slide rule at home. In this manner the individual student can do some self study. Mr. Walter Barczewski, math department head, is the sponsor of the two clubs. Meetings are held on alternate weeks for each group. Rapid-fire practice is in order.

Sales, Services Are D. E. Club Emphasis

● Distributors' Education program consists of courses, activities, and training experiences designed to prepare students for successful careers. Students are carefully selected for participation in these cooperative part-time programs. Selection is based on aptitude, achievement, scholastic rating, personality factors, and interest in a distributive occupation with a promise of success in that field.

Distributive Education is a business class in the school curriculum. It is a three-credit course covering business practices, business theory, and on-the-job training. The latter consists of going out on the job for a minimum of 15 hours and a maximum of 25 hours a week.

Offer Co-op Business Training Program

● A co-operative training program in business skills and occupational information is the Office Occupations Club. Members attend classes mornings and work afternoons. Practical experience is thus gained while the students are still in high school.

Formal initiation of new members was held last fall. In November a dance was sponsored jointly with the Future Distributors Club. A needy family was given a Christmas basket.

Judy Christopherson, Jo Anne Marha, Barbara Iles, Kathy Kutzler, and Carole Wilson attended the state convention in Springfield in February. Miss Margaret Perucca, sponsor, accompanied the girls. At the Employer-Employee banquet in May the girls displayed notebooks made from material gathered on their jobs.

Junior Red Cross Stands for Service

● Soliciting dues for the Enrollment Drive, distributing Thanksgiving baskets to needy families, and filling Christmas Gift Boxes to be sent overseas were projects of the Junior Red Cross. Representatives selected from homerooms, met twice each month after school with Miss Eva Oke, faculty sponsor.

Work committees handled the following projects: Cookies for Downey Hospital, Holiday Favors, Disaster Week radio program, and Student Aides for the Chapter House. The club also participated in the International Art Program. The active enrollment committee helped make every WTHS student a member.

Honor Society Recognizes Scholarship

● The National Honor Society for secondary schools was formed in 1922 to honor those students who are outstanding in scholarship, leadership, service, and character. Waukegan Township High School first established a chapter in 1936. Not more than five per cent of the Junior Class and fifteen per cent of the Senior Class may be elected.

Faculty sponsors are Dr. Colon L. Schaibly, Miss Helen Cunningham, Mr. Jaime McClendon, and Mrs. Katherine Norwood.

Twenty-nine of the present seniors' class elected to membership as juniors one year ago. Those not included in the picture at top of this page are: Linda Janson, David Mihevc, Laurie Oliver, Harold Potter, Joanne Rickard, and Raymond Tock.

Members of the June, 1959 class elected in April, 1959 were: Beverly Bixler, Eileen Booth, Jerome Butkus, Marion Dart, Rosemary Elasser, Melissa Evans,

Marjorie Gersler, Michael Guerin, Carol Lee Higgins, Frederick Hollender, Margaret Jannik, Judy Kuhar, Richard Macken, George Michael, Walter Scott Mohn, Robert Mouritsen, Robert Muschewske, Judith O'Hara, Diane Parker, Carol Peternel, Debra Peterson, Judith Peterson, Gail Runtford, Janet Salstrom, Martin Sisolak, Robert Smrtnik, Roger Stonelake, Nancy Strand, Robert James Thomas, Charles Tromblee, Steve Wilson, Jo Ann Wooldridge.

The following members of the Junior class were elected to membership in April, 1959: Carole Bubb, Judith Cavanaugh, Jeffrey Diver, Barbara Duescher, Diane Marie Durkin, Martha Fons, Paula Gadsby, Andrew Hankins, Susan Hodnik, Albert Jakolat, Robert S. Meyer, Joel Mitchen, Karen Penny Morris, Kenneth Nauta, Russell Niemi, Ellen Olsen, Richard Patz, Judith Schuek, Carol Spielman, Lois Stevens, Gary Joseph Toren, Jeanne Vig, Dale Wilson, Kent Woolledge. Girls' League Is All-School Service Club

● Only Girls League member LARRY WELLS is a member of our club. Through Girls' League members learn to work as a group, to improve themselves, their homes, school, and community. Girls' League sets a high standard of character, scholarship,

service, and leadership. By taking part in meetings, activities, and services, a girl is considered an active member. Meetings are held on the last Monday of every month. This year the meetings were centered about the theme, "My Fair Lady."

At left, GIRLS' LEAGUE BREAKFAST. This year the girls agreed to sponsor a St. Patrick's Day breakfast. The event was held in the clubroom on the morning of March 17. Sue Burke was general chairman. The girls shown here are helping themselves to sweet rolls and doughnuts.

At left, GUEST SPEAKER. The Rev. EARL McELVANY of the First Methodist Church gave the invocation at the November Girls' League meeting. The subject of his talk was the part religion plays in the life of the average high school girl. Introducing the Rev. McElvany is Bev Bixler, club president.

Activities Build Wholesome Attitudes

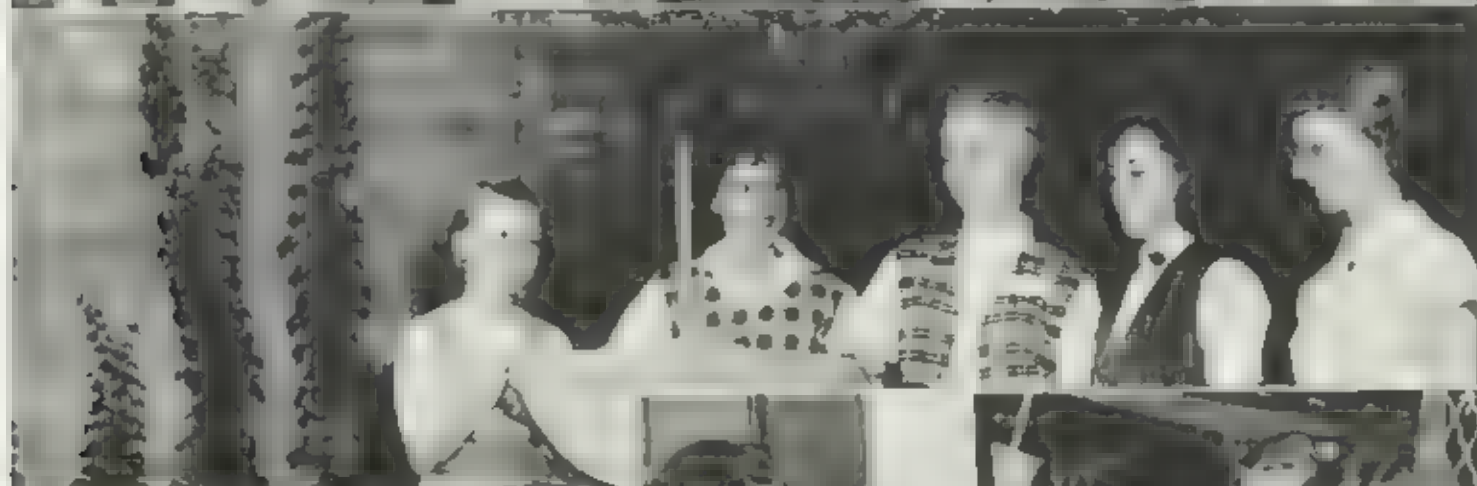

Below, Girls' League members serve as guides to some of the special school activities held at night. Left to right: Christel Ohlmann, Jeri Stark, Elaine Dunklin, Jerylva Peterson, Judy Tilton.

● The first activity of Girls' League was the sponsoring of a tea for freshman girls on Tuesday, September 2. Among topics listed at the other meetings were: planning, hairstyling and make-up demonstration; a Christmas party; a splash party and potluck supper; a religious discussion; and a boy-girl relations program. Other special activities were the Mother-daughter banquet and Senior tea. These meetings and activities were planned by the board during the summer.

In order to earn a Girls League pin, one hundred points must be earned by April. After a girl has received her pin, she may work the following year for a pin guard. This also requires one hundred points. To earn these points she must work on the club projects. This year's projects included: working in the concession stand during football and basketball season, and entering a float in the Homecoming parade.

Each year in the spring there is a Suburban Girls League Conference. Eligibility to attend is based on attendance and active participation in Girls' League.

A Cappella Performs At Civic Functions

● This year the Vocal Music Department carried a very busy class schedule. Because of the ever increasing number of students participating in music it was necessary to have five vocal music classes including the A Cappella Choir, Concert Choir, Girls Choir, and two beginning choirs besides the orchestra.

A Cappella choir is composed of seniors, juniors and a few sophomores who are above average in musical ability and character. The choir gives programs for many civic functions besides participating in the two concerts given each year. This year they began by singing a program for the Armed Forces Chemical Association at the Conrad Hilton Hotel in Chicago on September 11. They sang for several church groups,

the Christmas Assembly, and for the Rotary Club. On May 5th the A Cappella choir and the orchestra put on a concert at the Antioch Baptist Church. The concert was given as a money making project. The girls' dresses for this year were light pink sheaths with darker pink overskirts.

This year's Winter Concert was held on December 7th at which the Christmas portion of "The Messiah" was given. Singers from the community were invited to join with the combined choirs for the presentation. Members of the Waukegan Philharmonic Orchestra assisted the high school orchestra. The soloists for the concert were Bonnie Brooks, Gwen Davis, Judy O'Hara, Gail Rumford, and Dick Ryan.

Orchestra, Concert Choir Are Popular

● The Spring Concert on March 8th put the orchestra in the limelight. The second movement of the Tschaiakovsky "Fifth Symphony" was the major work performed by the orchestra. They also accompanied the combined choirs in the closing number "The Omnipotence" by Schubert. Our Student Teacher, Miss Joyce Stralow, conducted two choir numbers, "Lowlands" and "Alleluia". Miss Stralow is a music major from Northern Illinois at DeKalb. The Concert was the first of a series of money making projects to raise money to buy an organ for the community auditorium of the West Campus High School.

District Music Contest was held on February 28th at Northbrook. Members of the choir and orchestra who received ratings of superior were Kenneth Hunt, Judy Schaefer, Roger Stonelake, Tom Gilkey, and a trio composed of Gail Rumford, Karen Sengenberger and Lynn Lauret. Those receiving ratings of excellent were Gwen Davis, Bonnie Brooks, Eric Beckwith, Gail Rumford, Dick Ryan, Dean Clothier, and a trio composed of Carolyn Sondée, Berdine Blum, and Suzanne Schlemmer. Those who received a superior rating at the District Contest were then qualified for the State Music Contest on April 17 and 18 in Elmhurst.

● Modern Music Masters is a national honorary music society for high school students. Members are elected to the society on the basis of scholarship, service, character, leadership, and cooperation. Modern Music Masters is a reward to students who have gained the necessary qualifications and serves as an incentive for others.

Modern Music Masters entered a float in the Home

coming parade and had a Pizza and Coke booth at Recreation Night. The members of Tri-M also act as ushers for the Philharmonic Concerts. On May 2 several members of the WTHS chapter attended the state convention at North Boone High School in Poplar Grove, Illinois. The initiation for seniors was held on November 3, and for Juniors on March 2.

Honor "W" Band At Testimonial Banquet

● The WTHS Concert Band enjoys a wide-spread reputation of excellent performances since its first entrance in the State Contest in 1924. It would be amiss not to mention the great performance of last year's band at the Spring Concert and the State Contest at Peoria. "Overture 1812" and "Lulsa" and the two cornet solos, "Napoli" and "Ode to Trumpet," played by the famed cornetist, Don Jacoby, received the highest acclaim by the many music critics present. Through the courtesy of Dr. Patterson and Mr. William Bratzke the entire program was recorded and pressed disc records were made. Band members and a number of local boosters bought the recordings.

Under the excellent leadership of Drum Major Dan Christensen, the band developed a fine marching unit. The Band's excellent performance and the honor received at the contest prompted the Band Parents to reward them with a banquet in the High School Cafeteria on January 15, 1959.

Mr. Graham was honored by being elected to the American Band Masters' Association. This is an exclusive organization limited to a select few Band Masters.

On Stage, Or On Parade Versatile Concert

● The Concerts program presented by the Band in December was one of the finest in the series of seasonal concerts. The music was colorful, Christmas songs in new symphonic arrangements and new songs in new arrangements were beautifully decorated by Mr. Don Ross, Mr. John Henry and Mr. Joseph Klotz.

The concert was a high standard of the band. Most of the selections were new and a well known song in the program. Mr. Don Henry

Mr. John Henry's Director of Bands at Great Lakes Naval Training Center were the guest conductors.

Our High School Band received a special distinction by being selected as the outstanding band in the area. It is being honored by having the City of America edition of "The First Chapter of America" dedicated to the band. The First Chapter of America is a national yearbook that features prominent bands in the United States. Two copies of the book will be placed in the school library.

● Under the supervision of Leo Singer, sponsor, and the officers: Ken Koy, president; Ron Leafblad, vice president; Al Tucker, secretary; and Dave Mihevc, treasurer, the lettermen of W.J.H.S. enjoyed a most worthwhile year. The annual Christmas Date Dance was an enjoyable affair. Tom Brennan was general chairman. The theme "Snowland Fantasia" was just enough to set off the decorations of glittering snow men, shining stars, and a beautiful crepe paper ceiling. The music of Charles Swan insured a good time for everyone.

Another major task taken on by the club was the distribution of photo boxes to stores throughout Waukegan. This took many hours of work, but it was well worth the time and effort. With the profits from the "W" Club concession stands at all the home football and basketball games, the club purchased a ditto machine that is kept for sole use of the athletic department, and an ice-cube freezer for use by the athletic trainer in treating injuries during a contest.

● Parent's Club at Waukegan Township High School is organized to promote a better understanding between the athletic department and the home. The Club was organized six years ago and has been instrumental in creating a fine relationship among the boys, the coaching staff, and the parents. During these years they have sponsored several fund raising activities, especially the Globe Trotters game. The revenue from these activities has been used to sponsor banquets for awards night, trips for the members of the varsity team, the purchase of equipment for the training room, and to defray the cost of taking pictures. It has been the pleasure of the Athletic Department to work very closely with the executive committee of Parents Club in sponsoring activities closely related to the athletic program.

The Parents' Club has the capable leadership of President Stan Zelesnik, his officers and executive committee. Leo Singer, athletic director, is faculty sponsor.

Go, Bulldogs! We're For You

● The 1958-59 sophomore and varsity cheerleading squads were chosen last April. A clinic was held by the 1957-58 cheerleaders to teach cheers to all candidates. The new squads were picked by impartial judges on the basis of character, ability to lead, and personality. Candidates must be in good physical condition, know the fundamentals of cheerleading, and have a sense of rhythm.

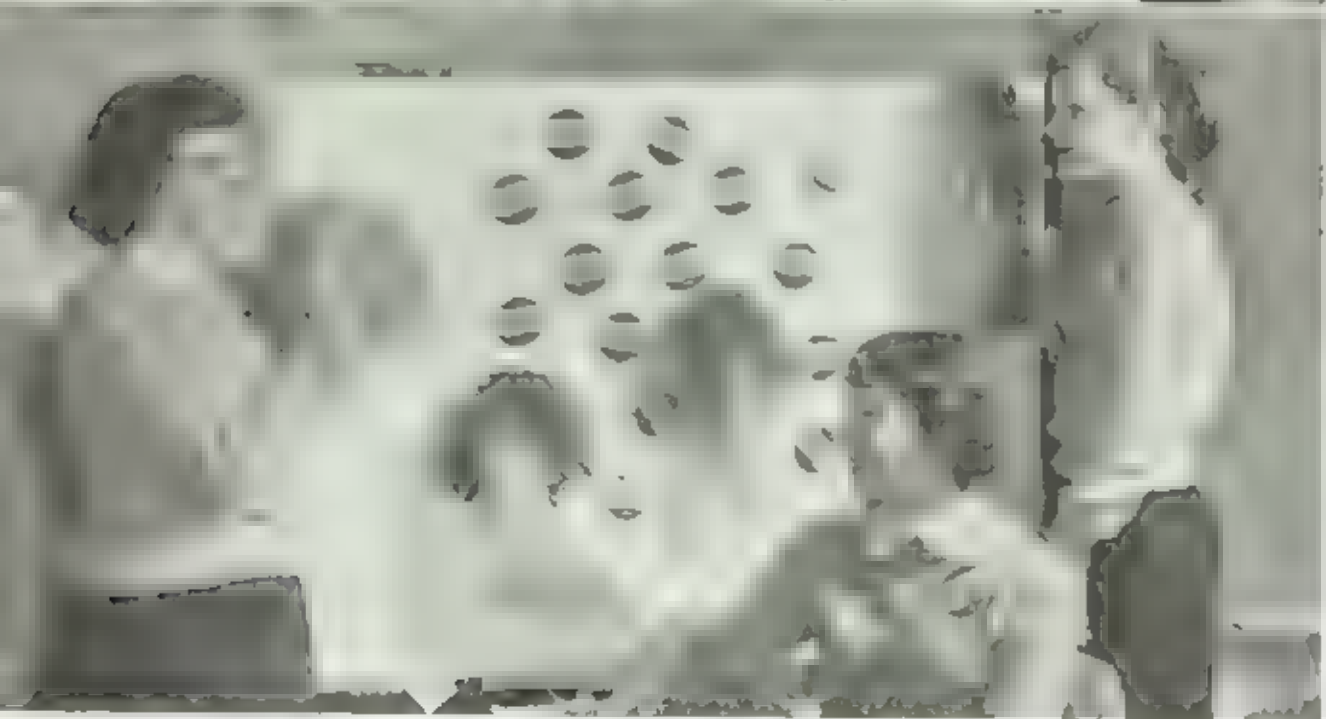

Members of the new sophomore squad attended a summer school conducted by Mr. Larry Herkimer at Normal, Illinois. Attending another clinic held at Lyons Township High School on November 22, 1958, were Mrs. Mae Schwaninger, sponsor, the two mascots and the cheerleaders. This was the Illinois State Cheerleading Clinic which is held for cheerleaders throughout the state. Varsity captain, Sandy Ogrin, was elected honorary captain of the all state cheerleading team.

● The main objective of the Peppers' Club is to promote school spirit throughout the entire school. They form the cheering section at all games and support the teams. Miss Barker and Miss Hershberger are co-sponsors of the club.

The club's main responsibility in the fall was to make the Homecoming weekend a success. Peppers club organized the dance, while G.A.A. sponsored the parade. Peppers Club sponsored and chaperoned buses to all out-of-town football and basketball games. During the end of basketball season, there were as many as eight buses leaving WIHS. Peppers are proud that they had at least four full buses going to each out of town game.

On Recreation Night, Peppers ran the Singing Telegram booth. During the spring the club held a car-wash to earn money. Peppers Club events were closed for the year with their spring banquet when special awards were given and the officers for next year's club were announced.

Bay's Gridders Roll Up Another Season

• With eleven returning lettermen to give them potential strength, things didn't look too bad for the Bay's gridders in their P.S. campaign. But from the first day of practice something was known to be missing. It was depth strength on the bench, and it showed in some of the games the boys played. They played hard all year, but they didn't have anyone to relieve them when they were tired.

They started their year with a win over Thornton. The next game was the South Shore team. They lost. The next game was a win over down to 19 to 18, to hold intact a eight-year winning string

over Niles. For their last game of the season they played the old P.O.V. the number one team in the state. They lost for a most interesting game, but lost in the final minutes.

One of the mainstays of the team was Covance. He was made All State. He was a key player in the All-Suburban both offensively and defensively. Another standout was Tony "Tiger" Zens. "I got named All-Suburban both ways and was named All State. Richard Nixon won honors as most valuable backfield man, and All-Suburban safety man. John Zauga was voted most valuable Senior.

Bulldog Cagers Make History; Shoot Way

● After dropping five of their first six games by decisive margins, the Bulldogs rebounded with a 4-1 victory over the Oilers. Although they lost their first game to St. Louis, the Red Wings did not drop points in the following weeks, and after their first victory with a 3-2 win. They continued with a 2-0 point victory over St. Patrick's and continued to take the lead in the North Division by establishing a 10-1 record in the first

Into Quarter Finals

For their next game they encountered last year's State champs, Marshall of Chicago. Throughout most of the game it appeared that the Reid-men were going to lose, but the boys never gave up. In the closing seconds All State Guard Dick Nixon stole the ball at half court and went all the way for the winning basket. Final score: the Bulldogs 63, the Commandos 61.

This entitled the Bulldogs to journey to Champaign for the State finals. In their first game they downed Madison 62-50, but the next afternoon they lost 64 to 40, to Springfield who that night became State champs. In the consolation tilt the Reid-men lost to mighty Galesburg, 78 to 60.

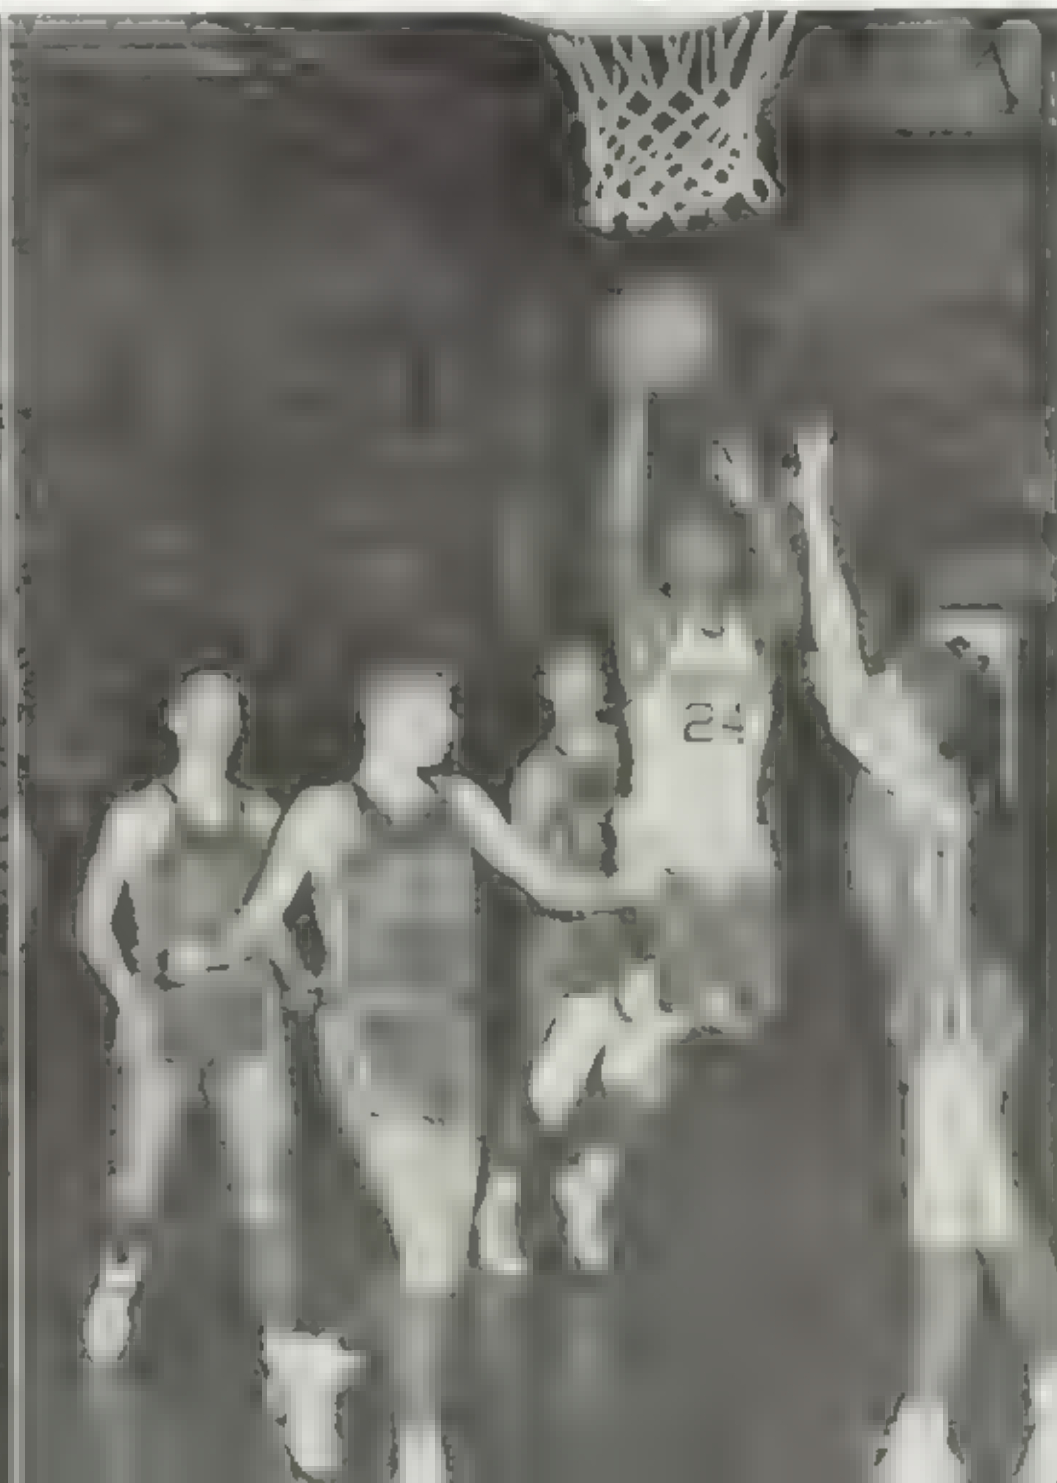

The Sophomore basketball team, coached by Jack Miller, placed second in the Suburban League and were the champions of the Lake County Tournament. One of their players, Tony Seals, played with the varsity team during the State Tournament. The Freshman A team were the Suburban League champions. They were coached by Robert Joor. Coached by Clarence Rajala, the Freshman B team also turned in a good record.

UP AND IN. Andy Hankins makes a layup for the Bulldogs against Highland Park. The Bulldogs lost 44 to 58. Number 15 in the Bulldogs is Clarence Cabell.

REEL IN THE NET. John Henderson, number 30, goes in for the Bulldogs against New Trier. The Bulldogs won 48 to 40.

FOUR ON ONE. Dick Nixon goes for the winning basket against Highland Park. Nixon scored 17 points in the game. The Bulldogs won 63 to 61.

● The 1958-59 swimming season started out well with the Waukegan Mermen winning a well fought victory over Glenbrook. Things didn't go so well in the subsequent meets. Although Waukegan swam hard, they failed to capture a Suburban League victory. They did manage to dunk Kenosha twice and win three other non league meets.

The Varsity swimmers were plagued by a series of bad luck and circumstances throughout the season. Despite this seemingly bad showing, Coach Filippos Varsity did well by winning an average of five out of the nine first places in each meet. Lack of depth hurt the swimmers noticeably. Many of the meets were lost in last relays where Waukegan just didn't

have enough good men to bring home the points needed for victory.

The Freshman squad, coached by Steve Nosek, had a very successful season this year and Coach Filippo is looking forward to a better showing next season when some of these youngsters can be expected to qualify for the Varsity.

Defending State Mat Champs Cop Third

● Not to be overshadowed by the fine showing of this season's basketball squad, the Bulldog wrestlers, mentored by veteran Coach Ott Bay, came through with a fabulous year. A few of their major accomplishments included capturing their own Christmas holiday tournament, a Suburban League co-championship, walking off with the District trophy, winning the Sectional contests, and lastly, third place in the State wrestling finals.

After winning five straight League tilts, the Bay-men dropped a close decision to Proviso which seemed like

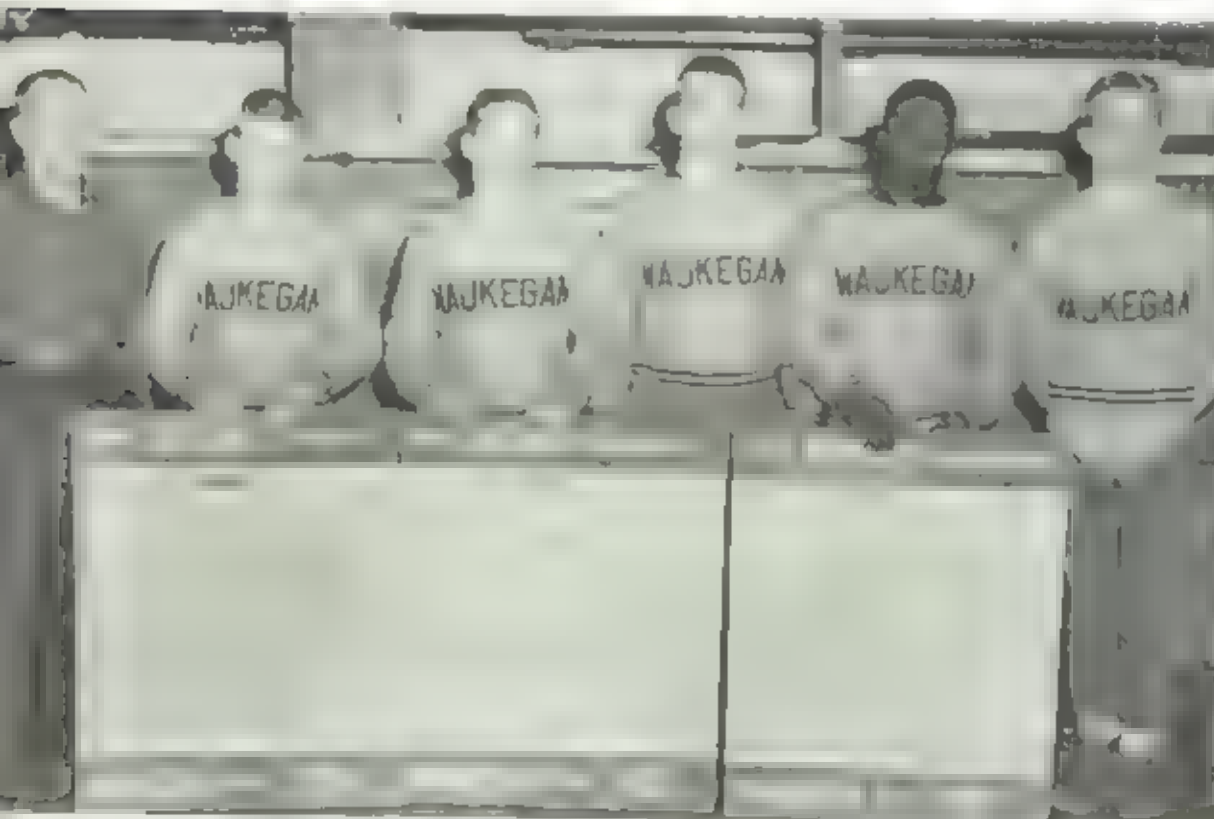

a sure second place finish. However, while the grapplers were defeating New Trier for their final League match, Proviso suffered a surprising upset at the hands of Niles to give the Bulldogs a share in the title that they had fought so hard to clinch for the second consecutive year.

With sophomore Rick Bay taking the State Title in the 145 pound class, Ike Johnson, 2nd in the 154 pound class, and Herb Stackhouse, fourth in the 138 pound division, the Bulldogs placed third in the State.

● The Sophomore squad closed the season with a record of twelve wins and four losses. They placed second in their annual tournament and third in the League. Four Freshmen, Mike Tuskus, Charles Brown, Mike Kelly, and Bob Billberg, bolstered the team. Henry Gaston, Richard Woodman, and Roger Anderson were outstanding performers.

● The Freshman squad won four meets, lost four, and tied one, though some of their better matches competed with the Sophomores. Duty, Knox, Middaugh, Brown, Wicklund, and Billberg amassed the best records, but a number of others showed promise of future greatness. Coaches Jim Kruempelstaedter and Homer Hankenson mentored both of the underclass teams through this year's season.

Track Taxes Versatile Athletic Prowess

● With a limited number of seniors to rely upon, Steve Drew had to tap his resources of underclassmen to complete his Varsity track squad for 1958. The only state qualifier was Isaiah Turner, a Junior, in the half mile run with a time of 2:02.3. There were nine returning lettermen to strengthen Coach Drew's squad for 1959. Veterans on this year's team were Brennan, Leafblad, Hollender, and Turner in the mile relay; Ike Johnson in the sprints; Leafblad and Hollender in the 440, and Turner in the half mile.

Speed, Endurance, Harrier Attributes

● As the curtain closed on the 1958 Cross Country season, it may be noted that the harriers endured a long, long season, losing 10 meets and downing Crystal Lake 25-32 for their lone victory. With Isaiah Turner, this year's most valuable runner, graduating, the main stay for next year will probably be two green, but hard-running sophomores, Dave Keeley and Lee Sage. Coach Conrad Baker is looking toward underclassmen to come forward and bolster the seemingly dwindling stock of potential harrier prospects.

Four Eager Groups Rally To Baseball

● The 1958 baseball team of W.L.H.S. battled its way through a mediocre season, winning 9 and losing 11. In Suburban League competition the team won 7 and lost 7. Throughout the year the team dropped four games by one-run margins. In the District they lost to North Chicago, the score being 8 to 6.

With Dick Nixon, shortstop, and Ken Schuring, pitcher, returning to lead the squad through its 1959 campaign, the Bulldogs looked forward to a very good season. Veteran Ted Damos is head coach. He is assisted by Jack Mallory.

Tennis Squad Misses Favorite Mentor

● With four returning lettermen to provide the nucleus of the 1958 team, Coach J. Fortier led his squad to a better than average season, winning eight dual meets and losing seven. They finished sixth in the Suburban League and seventh in the overall league standing, and fifth in the District.

The 1959 team had its returning potential strength in Bernard Sutins, Fred Sweda, and Rollin Kuznik. The 1959 Bulldog squad was coached by Bob Joor who replaced the deceased Jean Fortier.

Below, Coach Jean Fortier gives a few pointers to his top three men before the season officially opens. Left to right: Butch Sutins, returning letterman Wayne Larsen and Ed Ogrim who graduated last June.

JEAN A. FORTIER

IN FOND TRIBUTE

In respectful tribute to the memory of Jean A. Fortier, an effective teacher, a popular coach, and a genial gentleman, the editorial staff fondly dedicates the sports section of this edition of the Annual "W."

Mr. Fortier came to Waukegan in the fall of 1943 as a teacher in the Social Science department. He was Varsity tennis coach during all of his fifteen years here. He also coached Freshman football and basketball for the past several years.

A quiet, friendly personality, unselfish of his own time and talents, Mr. Fortier had the respect of his students and fellow teachers. He was active in his church and other community affairs. He was one of the organizers of the Waukegan Philharmonic Society and served as its president. Each summer for the past several years he conducted a free instructional course in co-operation with the city recreational department.

GAA Promotes Interest In Girls' Sports

● Providing a wholesome outlet for a student by promoting interest in girls' sports, recreation, and social activities is the main purpose of G.A.A. Their calendar for 1958-59 was packed with exciting events, starting with the freshman party and G.A.A. picnic in September. The members were kept busy in October with the Halloween party and planning for the G.A.A. float, field decorations, and uptown publicity for Homecoming.

The social event for November was a splash party and pot-luck supper. In December the annual G.A.A. Christmas party took place. A big event for the new members and girls getting awards was the initiation.

Both for a fund-raiser and to relax, the girls had a

"Sound-Off" was the theme for Dad's Date this year. On February 26 the girls and their fathers enjoyed an evening of games, entertainment, and refreshments. March was the month for the doubles bowling tournament, and April was the month for the eighth-grade playday.

The end of the social events came in May with a thrilling baseball game, and the Mother-Daughter Banquet when the main awards of the year were announced. At this time the results of the election for next year's G.A.A. officers were announced.

GAA Offers Wide Variety Of Activities

● A big variety of sports are available for the girls of W.H.S. through G.A.A. Besides basketball, archery, trampoline, and bowling which are pictured on this page, girls are able to participate in volleyball, softball, hockey, golf, tennis, and tumbling.

Through these sports G.A.A. members are able to uphold the ideals of the club that are stated in the pledge they make at their formal initiation. In order to be eligible, a girl must earn 24 points, attend six business meetings, pay fifty cents dues, and live up to the club standards.

● ROTC training is required of all sophomore and junior boys at W. J. H. S., except those who are enrolled in the band program. They attend military classes three days weekly during those years. This

program was first organized in 1919 when it was one of the oldest high school programs in the state. The ROTC program has been in operation without interruption since that time.

Participate In School And Civic Events

● Activities sponsored by the ROTC department at WTHS include a Rifle Team chosen by competition early in the school year. The team fires in matches with other high schools and military academies in this area and in the Fifth Army Area, and in Hearst Competitions. The Drill Team is selected from volunteers in the Military I and II year groups and is commanded by Military III cadet officers. Practice is held weekly before school and exhibitions are given at school functions and civic affairs during the year.

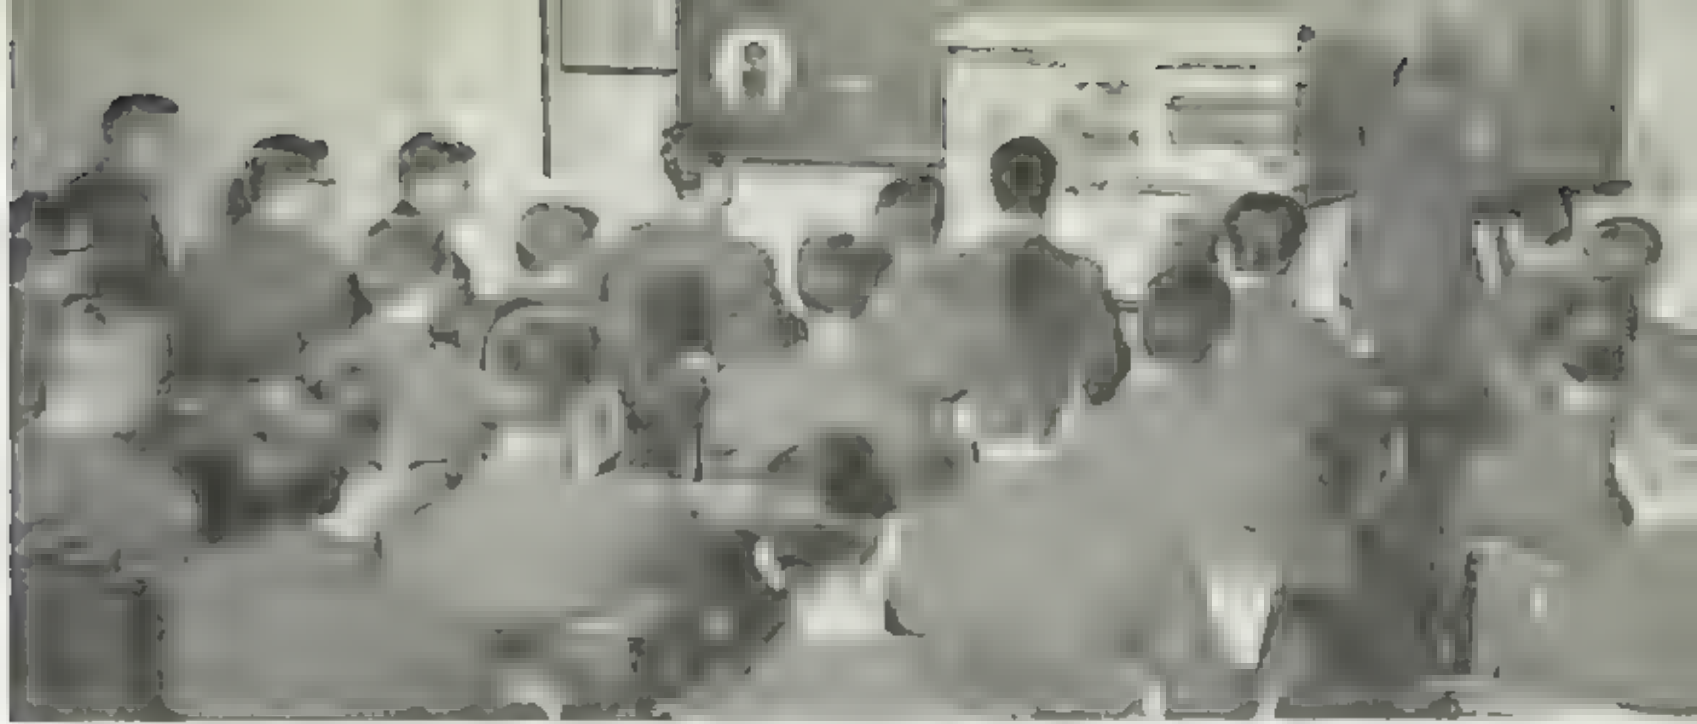

Members of the Color Guard are chosen from Military I cadets at mid semester and serve for one year until the middle of their Military II year. The "Sponsors," chosen each year by the Military II Cadets from a list of outstanding Junior Girls furnished by the dean of girls, constitute a Drill Unit which performs at various school and civic affairs. The girls also serve as clerks and secretaries in the Staff office.

Classes Supplement Close-Order Drill

Contrary to popular belief, the ROTC program does not consist entirely of teaching Cadets to march. A carefully planned course of instruction is given to each year-group of Cadets. Two years of ROTC are a prerequisite for a diploma at WTHS, and a third year is taught on a selective basis. Subjects include: "Cour-

tesy, Customs and Rules of Conduct," "Leadership Drill," "Etiquette of Commencement," "Marksmanship," "Weapons," "Map Reading" and others. Nearly every Cadet is given the opportunity to perform as a leader. This gives a large number of students a chance to practice and develop leadership.

WTHS School Life

This is our School Life—the whirl of activities other than class and studies in which every student takes part. NIGHT AND DAY banquets, plays, dances, assemblies, sports, concerts, rallies, and many other events make it unnecessary for students to be inactive and bored. Who could ask for more?

State Mat Honors

● There's no doubt about it, high school wrestling is fast becoming a major sport, and it takes teams like the W.T.H.S. Bulldogs to make it possible. The team won the 1958 State Championship and placed third in 1959 to repeat their 1957 record. With Rick Bay, State Champion at 145 pounds, returning for two more years, it seems likely that the winning streak will be continued.

At left, Coach Bay, Matt Hollender, John Klein, Rick Bay, and John Smith, all Bulldogs, during Second at the State mat tourney.

At right, DISTRICT QUALIFIERS. Pictured with Coach Bay are Matt Hollender, John Klein, Rick Bay, and John Smith.

At left, Mayor Robert Sabonjian presents the 1959 Bulldog wrestlers with a City Council citation recognizing their achievements.

Below, Ike Johnson and Rick Bay, second and third place winners of the State mat tourney, pose with Coach Bay and John Smith.

Bulldog Cagers Win Applause

● The Bulldogs had a lot to do this year, and they accomplished it with flying colors. W T H S believes in giving credit where credit is due and the Bulldogs deserve it. They can get. Students stood around the gymnasium all the way and even the boys had captured the State title no one could have been more proud.

Upper Left: The Bulldogs go cheeringly send off from the entire school body as they left for the State championship.

Middle Left: This is the reception for the team when they returned. A few stars with all praise. It was followed by a big parade through the city.

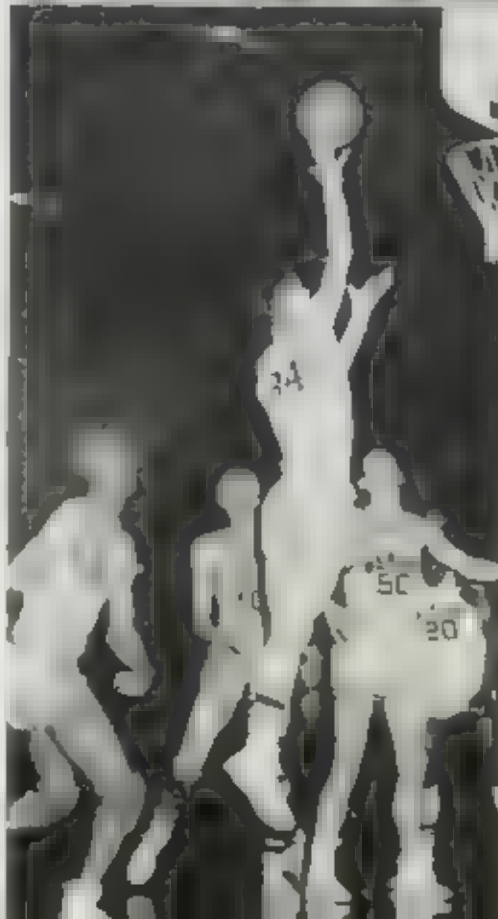

Lower Left: The members of the team are looking happy as the cakes presented to them as a party during the season. They are in the center.

Upper Right: Happy is the word as the coaches and team as they won the regional championship at North Chicago.

Middle Right: Coach Dick Nixon is receiving the sectional trophy from Mr. Albert Wells, secretary of the Illinois High School Athletic Association.

At Right: A tie for the series ending with the super sectional game against Marshall. The winning State Champions. The Bulldogs won 63-62 this exciting game to travel to Chicago.

Far Right: Mr. Harry E. Fezzing, IHSA president, congratulates Coach Charles R. Nixon and Captain Dick Nixon on their team's winning 40-10 in the State Finals.

● The Fifty-third Annual Military Ball sponsored by the Cross-Country Club was presented on the night of March 1. The theme, "Southern Sabers," was admirably carried out by the decorations of southern plants and garden ornaments, white snow boxes. The high point of the evening was the crowning of the Honorary Cadet Colonel, presided by the star of the Military Department and one of the twelve Honorary Spokesmen who were elected by the voters.

Model 5, the one we used for the final evaluation, was the best. Misspecified Cox's survival model (Model 4) did not converge. Our final survival model (Model 5) was a Cox model with a logit link function. A logit link function is a standard choice for survival analysis.

Believe in your dreams! The best of everything to come is ahead of you. If you keep working the way you have been it never will find success. It's a good thing you'll be in better next fall to keep it going. Have lots of fun and stay as sweet as you are. Love, Sue, Carolyn, Sandra

The Purple and the Gold

Hail, Waukegan High! Hail, Waukegan High!
How grandly rings your name,
With fervor, joy and loyalty
As it wings its way to fame.
In our school we climb the ladder,
Four years of constant stress,
Every task that we can conquer
A step upward to success.

Hooray, Hoorah, rah, rah, rah, Waukegan!
Hooray, Hoorah, rah, rah, rah, Waukegan!
Whistle, — Boom!

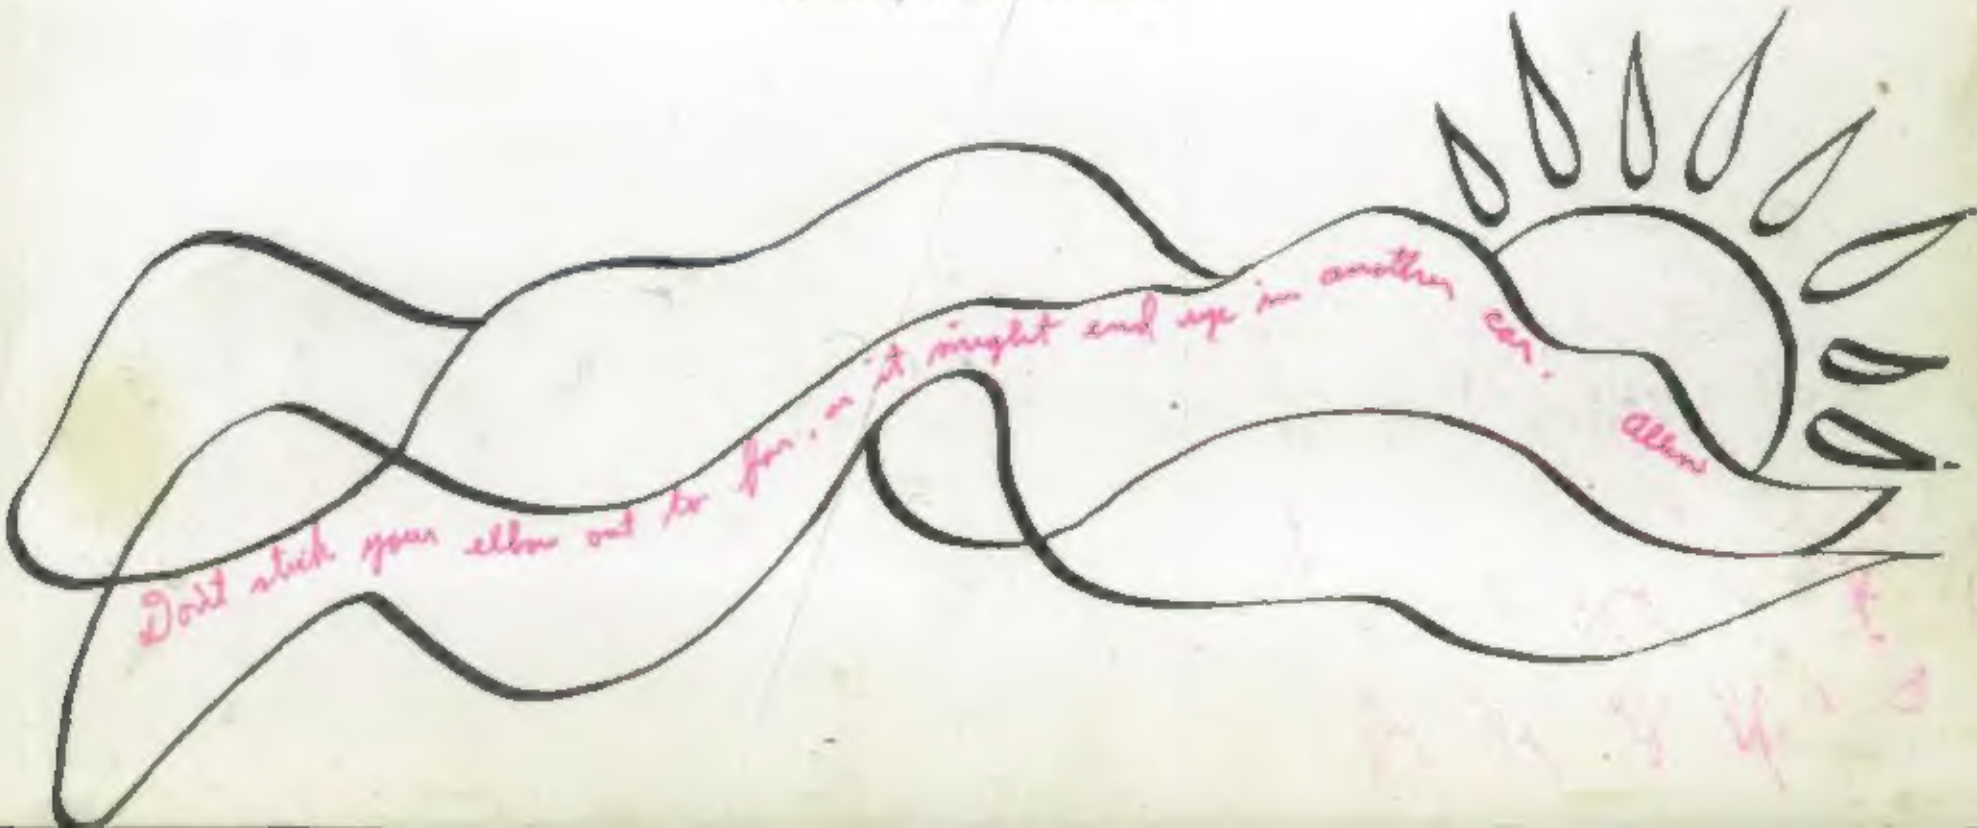

Hail, Waukegan High! Hail, Waukegan High!
We will ever praise our honored school,
Her worth can ne'er be told

Hail, Waukegan High! Hail, Waukegan High!
From your mantled walls in ivy clad
'Neath the Purple and the Gold.

Words by Jesse Strang, 1926
Music by Otto E. Graham.

Betty,
Best of luck to a fellow
